

# Design A Sport

The sport of chess boxing combines two traditional sports; chess and boxing. The competitors fight in alternating rounds of chess and boxing and winning in either round means overall victory.

Can you design a new sport?

It could be something completely new or perhaps a combination of existing sports.

You could also try to find out:

- whether anyone actually plays chess boxing;
- where the idea originated from;
- whether any other similar hybrid sports exist;
- what other sports would go well together.
