New Curriculum for Wales: Gareth Thomas CBE

As part of our learning for the New Curriculum for Wales we have been exploring our role as local and Welsh citizens. We have been studying many of Wales’ inspirational people and we were lucky enough to have a very special visit from Gareth Thomas CBE. The children thoroughly enjoyed interviewing Gareth and discussing his life. He spoke about his ambitions and dreams as a child and how he has overcome many barriers to achieve what he has. The children were engaged and focussed throughout the visit and Gareth was impressed with the dialogue and questioning. We would like to thank Gareth for taking the time to come to our school despite his very busy schedule.

Dog's Trail

The Dog's trail is ready for you to visit! Please search online for the map which will lead you on the trail around Porthcawl to see these wonderful statues. Can you find the location of our very own Afon Y Felin Snoopy? We would love to see your selfie's with him!

EASTER BONNETS

On Thursday April 7th we held our school Easter Bonnet parades. Rising 3s had their special event in the morning, watched by an excited FP audience who were thrilled with the amazing bonnets on display! Foundation Phase paraded in front of KS2. The huge variety of bonnets was incredible with such ingenious ideas. Well done to all our families for providing such a fantastic display of bonnets! Mr Burnap, our Chair of Governors had a tough time judging. KS2 had a great day with their Design Technology day, designing, making and parading in their Easter hats. Once again there was some excellent creativity on display. A huge well done to all those who helped make our parade a really special event. Longyfarchiadau to all the winners chosen by our governors Mr Burnap and Miss Courtney. Enjoy your Easter eggs!
