

Design a Dragon for Every Season

Can you design a dragon for every season?

Guster felt like this every autumn. While the leaves on the trees flushed into their autumn finery, Guster's green summer scales slowly changed to copper. This was a mountain dragon trick which kept them safe from human eyes. Humans couldn't spot green scales against the grass, red scales against autumn leaves or white scales against snow.

Extract from Twinkl Originals fantasy story 'The Wyrmostooth Crown'

Think about how your dragon will camouflage themselves during each season.
